

TechnipFMC Awarded a Substantial Integrated EPCI (iEPCI™) Contract for the Lundin Luno II and Rolvsnes Development

January 29, 2019

LONDON & PARIS & HOUSTON--(BUSINESS WIRE)--Jan. 29, 2019-- TechnipFMC (Paris:FTI) (NYSE:FTI) has been awarded a substantial⁽¹⁾ integrated Engineering, Procurement, Construction and Installation (iEPCI™) contract from Lundin Norway for the Luno II and Rolvsnes development, located in the North Sea at a water depth of 110 meters.

The contract covers the delivery and installation of subsea equipment including umbilicals, rigid flowlines, flexible jumpers and subsea production systems.

Arnaud Piéton, President Subsea at TechnipFMC, commented: *"This award demonstrates our leadership position in iEPCI™ for complete subsea developments. Our strong value proposition builds on early involvement and integrated solutions. By simplifying subsea field architecture, we help our clients improve their project economics. We are honored that Lundin Norway is embracing our innovative and comprehensive solutions, engaging with us early through iFEED™ (integrated FEED) studies and realizing the full scope through an integrated EPCI, finding within TechnipFMC all the architects, the competencies, the equipment and services necessary to support this project."*

⁽¹⁾For TechnipFMC, a "substantial" contract ranges between \$250 million and \$500 million.

Important Information for Investors and Securityholders

Forward-Looking Statement

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "believe", "estimated" and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. For information regarding known material factors that could cause actual results to differ from projected results, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.
